## We're part of a creative city

Nottingham is a diverse and hugely creative city with a rich cultural heritage. Nottingham Art Map represents just some of the expansive artistic activity on offer and we highly recommend exploring the city in partnership with sources such as:

LeftLion: [www.leftlion.com](http://www.leftlion.com)

Creative Quarter: [www.creativequarter.com](http://www.creativequarter.com)

Visit Nottinghamshire: [www.visit-nottinghamshire.co.uk](http://www.visit-nottinghamshire.co.uk)

Nottingham Art Map is developed in dialogue with a steering group of representatives from visual art venues in Nottingham.

The organisations listed on the Nottingham Art Map are predominantly associated with structured and consistent programmes of visual art exhibitions and events. Due to the transitory and experimental nature of certain organisations, we recommend visiting individual websites for full details.

Venues interested in being listed on the Nottingham Art Map are invited to get in touch by emailing [info@nottinghamartmap.co.uk](mailto:info@nottinghamartmap.co.uk)

### Bank Holiday Opening

Please be aware that many of the venues listed may not open during bank holiday periods. Please check individual venue websites for details.

All information correct at time of print, July 2018.

# NOTTINGHAM ART MAP

Nottingham Art Map presents a cross-section of visual arts activity from organisations across the city, that predominantly demonstrate a structured and consistent programme of public exhibitions and events throughout the year.

Specific exhibition and event information is situated on the website that accompanies this map and is updated and maintained by the venues.

Nottingham Art Map is an initiative by Bonington Gallery and is supported by Nottingham Trent University. The Art Map is developed in dialogue with a steering group of representatives from visual art venues in Nottingham.
